

## 1.1 Request For Change form

To be used whenever requesting a change to any part of FOM. This form may be photocopied as required.

**1. SUBJECT:** Amend the CONTACT/MONITOR table in FOM 8.3.1

**2. REASON FOR CHANGE:**

The MONITOR/CONTACT information in the table below is not strictly correct (at least as far as YBBB and YMMM are concerned). We would expect inbound aircraft to be instructed to Contact/Monitor Brisbane/Melbourne rather than YBBB/YMMM.

**3. DESCRIPTION OF PROPOSAL: [attach additional pages if necessary]**

Update the FOM table (8.3.1) as follows. Other ATSUs may seek a similar amendment to their frequency transfers

<b>FIR</b>	<b>CPDLC Instruction</b>
Anchorage Oceanic	CONTACT PAZA CENTER [frequency]
