

# Unassigned ("No FIR") Airspace Update

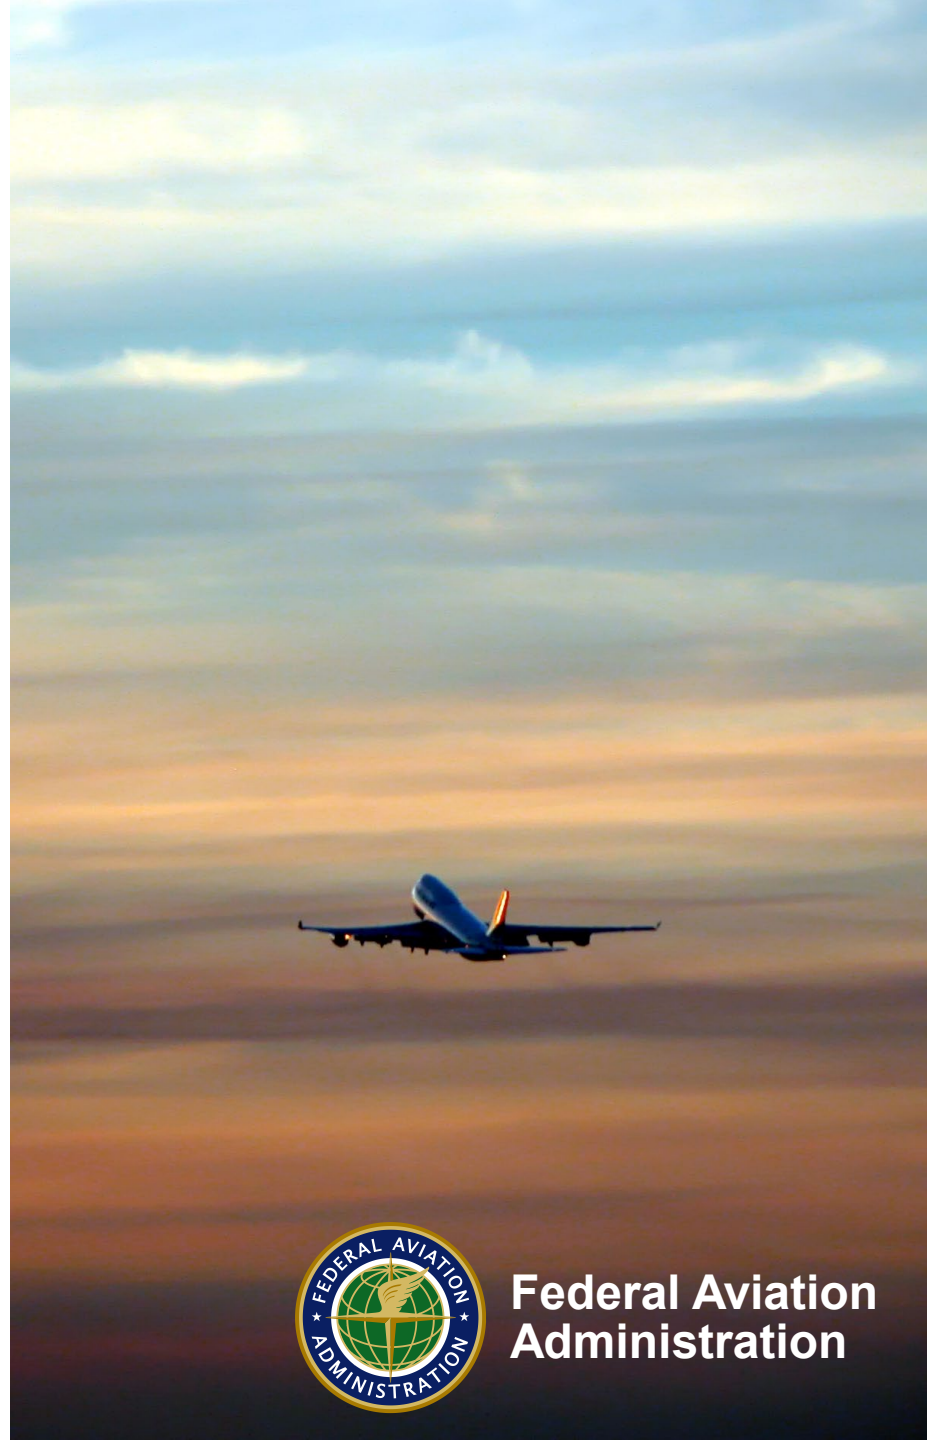

Presented to: ISPACG/38

By: Ahmad Usmani

Date: 5/6 June 2024

**Federal Aviation  
Administration**

# Latest Update from ICAO HQ (21 May 2024)

- **“Secretary General has written to all 9 States involved to request their willingness to accept ATS search and rescue service responsibility for high seas airspace.**
- **We expect replies in the next few weeks.**
- **If they are all positive, the proposal will be circulated to all users and provider States in the normal manner.”**
